EDITION 2, NOVEMBER 2024

MESSAGE FROM THE MINISTER

Dear Students and Faculty of Tagore Government Arts and Science College,

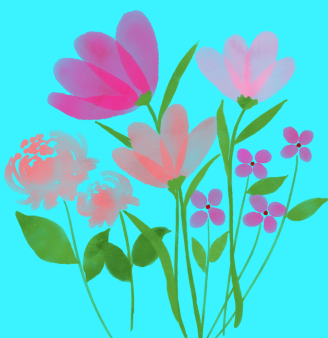

It is a pleasure to address you all in the 2nd edition of your college newsletter KUYIL. I commend the effort taken by the Principal, Dr. Sasi Kanta Dash and the editorial team in creating this platform, which not only informs but also connects the vibrant community within the college. Initiatives like this are essential for fostering a culture of collaboration, innovation, and academic excellence.

In this edition, the progress made by the institution is reflected, and it is heartening to see how well the college continues to adapt to the evolving needs of modern education. From academic achievements to extracurricular success, your hard work and dedication are evident in every initiative. This is a testament to the leadership of Dr. Sasi Kanta Dash, Principal of this college and the faculty and administration, and the resilience of the students.

I encourage all students to seize the opportunities presented to them, to engage deeply with their learning, and to contribute actively to the betterment of their communities.

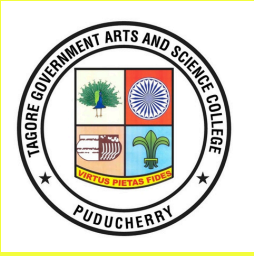

As we continue our journey toward creating an inclusive, innovative, and dynamic education system, I look forward to hearing about the ongoing successes and new milestones from your college in the upcoming editions.

Best wishes,
Shri. A. NAMASSIVAYAM
Minister of Higher Education

EDITION 2, NOVEMBER 2024

MESSAGE FROM THE PRINCIPAL

Dear Students and Faculty,

It is with great pride and excitement that I welcome you to the 2nd edition of our college newsletter. This platform has quickly become a space where we celebrate our collective achievements, share valuable information, and showcase the dynamic spirit that defines our institution.

Since our last edition, we have seen remarkable progress across various fronts—whether it's in academics, extracurricular activities, or our ongoing community engagement initiatives. Our students continue to impress with their dedication and enthusiasm, participating in events that not only enhance their skills but also contribute positively to society. Our faculty and staff have remained committed to providing the highest quality of education, ensuring that our learning environment is innovative, inclusive, and supportive.

We are proud to announce that our college has been re-accredited with an A Grade by the National Assessment and Accreditation Council (NAAC). This prestigious recognition highlights our unwavering commitment to academic excellence, holistic development, and quality education. This milestone is a testament to the collective efforts of our dedicated faculty, diligent students, supportive staff, and visionary leadership.

As we move forward, I encourage all of you to take advantage of the many opportunities that our college offers. Whether it's exploring new areas of study, engaging in research, or taking part in student-led activities, remember that your time here is a journey of discovery and growth.

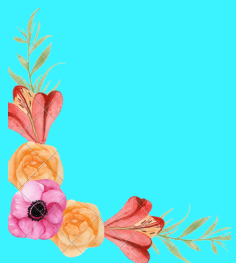

Let's continue to work together to make our college a place of learning, leadership, and inspiration. I look forward to seeing more success stories and initiatives in the future editions of our newsletter.

Warm regards,

Dr. Sasi Kanta Dash

Principal,

Tagore Government Arts and Science College

HISTORY OF TGASC

Tagore Government Arts and Science College stands as a distinguished hub of education, culture, and science. The genesis of this premier institution, TGASC, can be traced back to its establishment in July 1961 under the sagacious leadership of Shri. S.K. Datta.

The foundation stone for a new campus was ceremoniously laid by the Prime Minister of Independent India, Pandit Jawaharlal Nehru, in 1963, marking the birth centenary of Rabindranath Tagore, the institution's patron, leading to the establishment of new benchmarks.

LIFE AT TGASC

There is never a dull moment on campus, as the activities on offer are diverse – from entertainment to extra-curricular activities. There are several activities to keep students dynamic, in their various realms of interest. It is intellectually a stimulating environment for living and learning, with cultural activities, sports, fine arts and entrepreneurship, encouraging students to venture beyond the realms of academics.

STATE AWARD

Dr. Sasi Kanta Dash, Principal, TGASC has been awarded the esteemed "Chief Minister's Award for Excellence in Public Administration" during the 78th Independence Day celebrations.

This prestigious recognition, the highest honor in the state, reflects our Principal's steadfast commitment to excellence, innovation, and impactful contributions to society.

DEPARTMENTS & COURSES

TGASC celebrates diversity, offering a co-educational system that spans 16 departments with multidisciplinary characters, encompassing a wide array of primary subjects in arts, science, and management.

NAAC PEER TEAM VISIT

Tagore Government Arts and Science College (TGASC) has reached a significant milestone in higher education by earning 'A' grade with an impressive score of 3.09 by the National Assessment and Accreditation Council (NAAC), Bangalore. This remarkable achievement highlights the college's dedication to providing quality education and fostering holistic development.

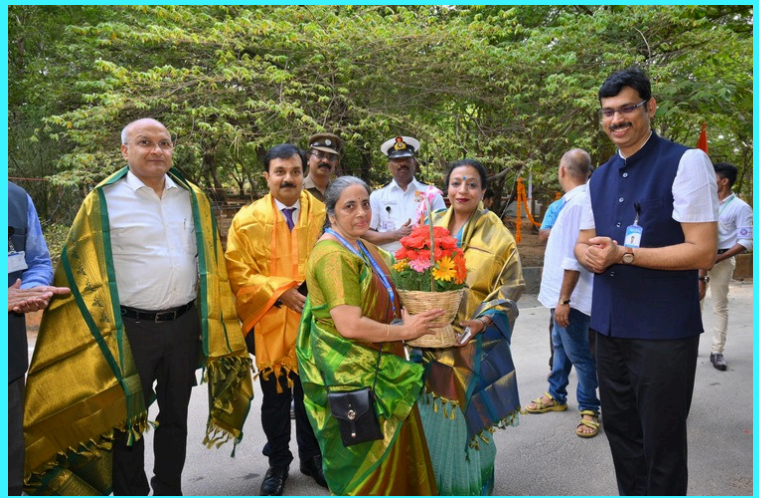

The accreditation process was led by an esteemed NAAC Peer Team:

- Dr. Vijay Kumar Srivastava, Vice Chancellor, The Maharaja Sayajirao University of Baroda, Vadodara, Gujarat, served as Chairperson.
- Dr. Vijay Kumar Shrotrya, Senior Professor, Department of Commerce, Delhi School of Economics, University of Delhi, was the Member Coordinator.
- Dr. Ajay Sareen, Principal, Hans Raj Mahila Maha Vidyalaya, Jalandhar, Punjab, was a Member.

The achievement was formally announced by Puducherry's Hon'ble Education Minister, Thiru. A. Namassivayam, emphasizing TGASC's status as a leading institution committed to academic and administrative excellence.

TGASC stands as one of the few government colleges in India to attain an 'A' grade, and it holds the distinction of being the only college in the Union Territory of Puducherry to do so.

This milestone reflects TGASC's commitment to high-quality education and robust institutional practices, making it a role model for government colleges across the nation.

NAAC PEER TEAM VISIT

Dr. Sasi Kanta Dash, the Principal of Tagore Government Arts and Science College, expressed immense pride and gratitude, stating, "Receiving an 'A' grade accreditation from NAAC is a validation of our relentless pursuit of academic brilliance and all round development. This recognition strengthens our resolve to provide a transformative educational experience that prepares our students to thrive in a dynamic global environment."

The Honourable Education Minister praised the achievement of the College, highlighting its role in shaping the future leaders of tomorrow and contributing significantly to the nation's educational landscape. The 'A' grade accreditation positions Tagore Government Arts and Science College among the elite institutions in the country, known for its academic rigor and commitment to excellence.

CENTRE FOR EXTRACURRICULAR ACTIVITIES (CECA)

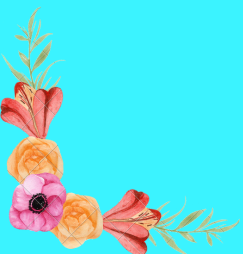

Nineteen students from various departments participated in a Youth Camp at Auroville from August 16th to 22nd, 2024.

Ms. Mollika from Auroville conducted an online session with the students beforehand to prepare them for the seven-day camp.

Highlights of the camp included tours around Auroville, visits to the Ashram, and the Matri Mandir.

The students learned the importance of silence and were encouraged to avoid using cell phones during active hours. They also had the rare opportunity to attend insightful lectures from renowned scholars. The camp instilled habits of going to bed early and rising early. Feedback from the students was overwhelmingly positive.

In addition, the students had the chance to meet fellow campers from across India. They learned about the origins of the Auroville township and Sri Aurobindo's significant role in transforming Pondicherry into a haven of peace.
