

TAGORE GOVERNMENT ARTS AND SCIENCE COLLEGE- PUDUCHERRY

TGASC's ATAL INCUBATION CENTRE

Incubation Centre (IC) is a facility created to nurture and support new businesses, especially start-ups, by providing resources, mentorship, and a supportive environment within the College environment. Honourable Minister for Education, Government of Puducherry, Shri. A. Namassivayam declared open the facility on 24th June 2024. The Centre extends various support to the students, faculty members and alumni. But the financial support is limited only to the students.
